

# SANITIZE YOUR EQUIPMENT

## RECOMMENDATIONS FOR HOW TO CLEAN BATTING HELMETS

Batting helmets include interior padding. If it isn't removable, spray the outside & inside of the helmet and padding thoroughly with a sanitizing spray, taking special care to clean the crown of the helmet and inside the crevices. Allow to fully air dry. Make sure your batting helmet is completely dry before the next use.

## RECOMMENDATIONS FOR HOW TO CLEAN A BASEBALL BAT AND BALL

Baseball bats and balls come in contact with all kinds of germs. Thankfully, disinfecting is easy. First, remove any loose dirt or debris (use a brush if necessary). Then, spray thoroughly with a disinfecting spray, paying special attention to the grip of the bat. Allow to dry before using again.

## RECOMMENDATIONS FOR HOW TO CLEAN BASEBALL UNIFORMS

Very soiled baseball uniforms can first be laundered and dried, then sprayed with a disinfectant and deodorizing sports gear or clothing spray if you wish. Spraying your uniform will help ensure that there is no bacteria present when you wear it next. Allow your baseball uniform to fully dry before the next use.

## RECOMMENDATIONS FOR HOW TO CLEAN BASEBALL GLOVES

***Do not use regular sanitation wipes or spray on your ball glove as it can ruin the leather.*** For regular sanitizing, we recommend sourcing out a leather-safe cleaner. Grab a brush and wipe away any excess dirt. Use a soft rag, preferably cotton, to wipe down the glove with a leather friendly soap (avoid soap specifically for shoes and saddles as these will leave a residue on your glove that is very difficult to get off). Let soap sit for a minute, then wipe away. This last step is important: Condition the glove with oil or a glove rub to keep the leather from drying out and cracking.

**SPECIAL NOTE:** Individuals disinfecting equipment are encouraged to use gloves while using disinfectants and follow the manufacturer's directions for use. All disinfectants should be stored properly, in a safe area, out of the reach of children or vulnerable persons.
